

WELCOME SHABBAT

WITH A NEW MEMBER/FAMILY

When my family and I started attending services at Temple Beth El, we were invited to Shabbat dinner at the home of a Temple Beth El family. The experience was so warm and inviting that I couldn't wait to give back to another family. My hope is that we all can share in that wonderful experience for those members who wish to participate.

Invite a new Temple Beth El family/member for Shabbat dinner in your home.
